"When I first heard Tutti Frutti, my heart nearly burst with excitement. The music filled the room with energy and color and outrageous defiance. I had heard God." -David Bowie. It's time. Little Richard is a legend from the golden era of rock. Richard is the cultural lightning rod who influenced some of rock music's most distinguished icons who will join us to validate Richard's unquestionable role in rock history: Paul McCartney, Keith Richards, Mick Jagger, David Bowie, Elton John, Bob Dylan, Prince and Bruce Springsteen. As Richard boastfully claims, "I am The King and Queen of Rock and Roll." (Repeats 2/3 at 1:30am)

9:00 PM AMERICAN EXPERIENCE: FLY WITH ME - D
Fly With Me is a story about new frontiers for working women and the constraints of traditional notions of femininity. It's about both exploitation and activism, and pitched battles within the courtrooms of the United States. Maligned as feminist sellouts and sluts, stewardesses, as they were called, knew different: They were on the frontlines of a battle to assert gender equality and transform the workplace. Fly With Me will rely on firsthand witness accounts, personal stories, and a rich and extensive archive to tell a lively, fun and important but neglected history of the women who, while flying the world, changed it. 10:00 PM MEMORY MAKEOVER WITH DANIEL AMEN, MD - P
Ever misplace your phone, forget someone's name, or struggle to find the right words? Of course, you have. It happens to all of us. But if you find it happening more and more it may be a sign of trouble. Memory is one of the most important functions of the brain, and problems with it are becoming increasingly more common, even among teenagers and young adults. Did you know that 80 percent of people who had COVID-19 later complain of memory and focus issues? In this program, psychiatrist and founder of Amen Clinics Dr. Daniel Amen will show you how you can improve your memory and even rescue it if it's headed for trouble. You will discover some of the most common—and one of the most surprising—causes of memory loss and when you should be concerned. Dr. Amen will share the seven foods and supplements that research shows you can use every day to enhance your memory. And he will show you how to supercharge your memory with 11 simple daily practices.

9:30 PM RICK STEVES FASCISM IN EUROPE - P
In this one-hour special, Rick Steves travels back a century to learn how fascism rose and then fell in Europe - taking millions of people with it. He traces fascism's history from its

roots in the turbulent aftermath of World War I, when masses of angry people rose up, to the rise of charismatic leaders who manipulated that anger, and the totalitarian societies they built. In addition, Rick chronicles the brutal measures the leaders used to enforce their ideologies, and discusses the horrific consequences of genocide and total war. And yet despite all this, inspiration can be found by those who resisted. Along the way, Rick visits poignant sights throughout Europe relating to fascism, and talks with Europeans whose families lived through those times. The goal of the RICK STEVES SPECIAL: THE STORY OF FASCISM IN EUROPE is to learn from the hard lessons of 20th-century Europe, and to recognize that ideology in the 21st century.
